READ ABOUT LIFESPING PREGNANCY CENTER'S LATEST NEWS!

JUNE 2024

Happy Summer!

This month, LifeSpring Pregnancy Centers reached an incredible milestone: we just celebrated our 40th anniversary! This incredible organization has impacted thousands of lives since **June 4, 1984**. We reflect on God's faithfulness and how He has provided for and sustained this organization. I am thankful to be a part of this great work. I know summer can be busy, so thank you in advance for supporting us during the summer months.

Our database goes back to 1998. Since then, our centers have had over 55,000 client visits. Just imagine the ripple effect this has had on our community. Consider how many children have become doctors, nurses, teachers, pastors, construction workers, business owners, first responders, and more! Many have now started families of their own. **Because these children were given a chance at life, they now have the opportunity to live out God's purpose for their lives.** Every life is a precious gift from God.

I love it when I speak at a church and someone approaches me to share how our organization helped them during an unexpected pregnancy. Once, a woman told me about her unexpected pregnancy and how we had supported her years ago. I couldn't help but tear up as I listened to the story of this brave woman who made a courageous decision for life. Her daughter was with her that day at the church.

## VOLUNTEERS NEEDED FOR INCREASED REACH TO WOMEN, MEN, AND FAMILIES

As part of our mission and vision, we aim to continue providing medical services, such as pregnancy tests and ultrasounds, at our LifeSpring locations. We believe this is crucial in ensuring the LIFE of every baby. Currently, we need more volunteer nurses and sonographers.

***“For the Lord is good and his love endures forever; his faithfulness continues through all generations.”  
- Psalm 100:5***

We also believe in renewing hope in the family unit. Our unique **Strong Dads** program is designed to encourage fathers to be present in their homes, significantly impacting family dynamics. I am grateful for our male volunteers' continued support of this initiative.

Ultimately, we believe that lives are transformed through Jesus Christ. We recently designed a more streamlined process for our volunteers to become trained patient advocates and are actively teaching our staff and volunteers to share the gospel.

God bless you, and thank you for making a stand for life.

Something exciting is happening at LifeSpring! Both our Medical Director, **Dr. Rachelle Keng**, and our Volunteer Coordinator, **Kamey Deane**, are expecting babies! As we prepare for their time off this fall, we are making arrangements to ensure the continued care of our clients. We are particularly in need of sonographers.

## WHY I VOLUNTEER

by Kayla Carson

There are a lot of things I love about volunteering: using my gifts, getting to know believers from other churches, spending my time on something that has eternal impact, and seeing sweet little ones all the time! Being a part of LifeSpring has helped me professionally as I worked toward my medical interpreting certification, it's helped me emotionally as a place to make friends after I moved to Charlottesville, and it's helped me spiritually as I learn to apply what it says in James 2:17: **'Faith without works is dead.'** I will always be grateful to be a part of LifeSpring!

## MEET OUR NEW BOARD MEMBER HECTOR CRUZ

"My desire to serve as a board member of LifeSpring Pregnancy Centers stems from the sadness I feel about the direction our world has taken away from valuing the life of the unborn. Unfortunately, early in my life, I was, at best, indifferent when it came to the subject of abortion. Now, as a born-again believer, I have strong feelings otherwise and think it's important we all engage our culture towards valuing life, family, and a Christian worldview. LifeSpring shares these values and is literally a life-saving ministry."

Life assured for every baby.  
Hope renewed for every family.  
Lives transformed through Jesus Christ.
